

## Application for a change in the production of the technical active substance

Date:

Applicant (including person in charge and direct dial phone number)

---

To  
Federal Office of Consumer Protection and Food Safety  
Department 2 - Plant Protection Products  
Bundesallee 51  
38116 Braunschweig  
Germany

---

- Technical material from a new/different manufacturer
- Data from industrial scale production vs pilot scale production
- Change in the manufacturing process, and/or manufacturing location
- 

### 1. Additional information:

#### 1.1. **Manufacturer of the active substance** (please indicate for each manufacturer if necessary)

Name

Address

Telephone

Telefax

E-mail

#### 1.2. **Location of manufacturing site** (please indicate for each plant if necessary)

Name

Address

Telephone

Telefax

E-mail

**1.3. Status in the EU**

Change already applied for in another member state? Yes  No

Member State

Equivalence already evaluated by another member state? Yes  No

If yes, which member state has conducted the evaluation?

Member State

If no, which member state shall conduct the evaluation?

Member State

**2. Concerned plant protection products** *(please indicate for each plant if necessary)*
